Mr. Conat was born on a farm in Burtchville Township, St. Clair County, Michigan. As a boy he attended Centennial Country School, so named because it was built in 1876, one hundred years after the founding of our nation. In high school at Port Huron he often drove a horse and buggy or a Model T Ford the ten miles he had to go. He attended Michigan State Normal and the University of Michigan.

When he came here in 1922, there were two high school teachers, of which he was one, and three grade teachers. School was held in a church building and in the I. O. O. F. Hall, as the present building was not completed until around Thanksgiving, when they moved in. As Superintendent, he taught five or six classes, and coached all sports. During the twelve years he acted as coach, he had many championship teams, among which was the basketball team of 1927, which was defeated only in the regional meet. His teams won most of the trophies in our showcase.

In 1927, his father was killed, and he ran the farm at Port Huron until 1942, when he was forced to sell. On the farm among other things, he had a herd of registered Holsteins.

Mr. Conat is a member of Knight Templar, Chapter, and Blue Lodges of the Masons, the Lambertville Civic Club, and the Temperance Rotary Club. Mr. and Mrs. Conat are members of the Eastern Stars, and of the Methodist Church of Lambertville.

Class History

September 1943 High School Students at last We were duly initiated. Temperance freshmen gave three one act plays. They also had several sleigh rides. Lambertville freshmen lost one of their members, Jack Angell, who was killed in an automobile accident. Lambertville beat Carleton and won the jug.

One step forward Both Lambertville and Temperance sophomores welcomed the green freshmen with initiation parties. The Lambertville sophomores gave several skating parties. They also had the selling concessions at the track meet. Temperance students established new quarters in Lambertville school after the fire on February 4, and went to school from 2 P. M. to 6 P. M. Both Temperance and Lambertville sophomores ordered their class rings and received them in the spring of the year. The Temperance sophomores had a sleigh ride. At Lambertville, Donna Clever, Marge Kronk, and Norma Koester were "tops" as a cheerleading trio.

Another step forward As juniors, we started the year with the annual Junior Carnival, which was a big success. Next, came the Junior play, "The Daffy Dills." The main event of the year was the Junior and Senior banquet and prom which was given for the Seniors at the Trilby Log Cabin.

Seniors at last The most important thing of course was to see that the sophomores were welcomed at the initiation party a night long remembered. We were proud to display the sportsmanship trophy which was presented at the football banquet. The Senior play, "His Ozark Cousin" the night when Warren and Verna were wed in holy matrimony. We staged a box social and dance in the school gym. We helped the Christmas season along by selling Christmas cards. The Annual was in charge of the Seniors, who did their best to make it bigger and better. The Seniors played an important part on the paper staff. We advanced to a printed Hi-Spots. We sponsored two paper drives aching muscles but well worth it!! We also sponsored the Hickory Park Barn Dance which provided a musical show. We chose our name cards and announcements, and white gowns for the girls, and blue for the boys. We then proceeded with our speeches for Class Night. We initiated a Game Night, which was held in the gym. Our reputation as salesmen is well known with our sales at noon, games, etc. We are looking forward to the grand climax of the year, a trip to Washington

President's Address

Parents, Teachers, Friends:

Four years ago, the members of the class of "48" started high school. We entered with high hopes and dreams of some day graduating.

In the course of our high school careers, however, many of us had our doubts as to whether or not we could make the grade. Many gave up, because the courses were too difficult. The life of a factory job, with a high hourly rate and overtime pay, was too great to be turned down. We, who are graduating this year, are glad that we stuck it out. We know that what we have gained in school will be of great value to us.

We, of the class of "48", are proud of our class. We realize that we could not be here tonight if it were not for the help we received from our parents, teachers, and the many people of the community. We have appreciated your help and wish to thank you for your support in our many undertakings.

We had a great deal of fun during our four years of high school, and we shall treasure many memories of our successes, the pranks we have played on our fellow classmates, and teachers will bring a smile to our faces when they are recalled in days to come.

We know that when our senior trip is over, the ties that bind us to school will be broken, but we hope to keep the friendships we have made.

Looking back, we see that each member of the class has done his share, and that the success of the class is due to its members and officers who capably carried out their duties. These four years have been valuable to us, and as alumni we plan to take part in Bedford advancement.

Thank you,
James Salisbury

Valedictory

Parents, Friends, Faculty, and Classmates,

My topic for tonight will be a proverb from that great poet Longfellow. It is, "Our Todays and Yesterdays are the Blocks on which we Build Our Tomorrows." This seems to be a proverb very fitting for a graduating class such as we, the class of '48, for we have acquired in our last 12 years of schooling, a knowledge and understanding that will help form the blocks for building our greater tomorrow.

The essential block of education probably began while we were in grade school. There we learned the mystery of readin', 'ritin' and 'rithmetic and also discovered that you can accomplish much with hard work. As we kept marching forward through grade school, we kept growing in mind and stature, wondering how the study of Geography and English ever would help us after we grew up. This week of graduation, we can see how our studying, the verbs of English and the mountains of the United States, was another block for education. As we entered High School, we thought the work would be very hard, but we probably gave the work no consideration on how it would help us in building for our future. In High School we also noticed that every small factor is necessary for making your tomorrow a little better. So now since most of us have probably received their share of Education, we hope that we have the necessary steps for our supply of blocks in education.

Social activities in school include such affairs as dances, plays, and student activities which seem to me to be very essential for our building for tomorrow. They teach you to cooperate, play, work, and talk with people. Dances encourage the timid person to become more self confident. In plays, students overcome the feeling of not being able to talk to an audience. This small accomplishment will be of great value in the future as you may at some time be called upon to speak before groups. Student activities aid you in working with a group, such as putting on a class carnival. In these activities you planned and worked so the activity would be a success. As the group working together for a common end, you saw that everything is possible while nothing is impossible.

The last block of athletics are bound to be of an assistance to you in later years. For one thing, it helps you to become strong, while learning the true value of sportsmanship. Athletics teach you the fact that teamwork is necessary if you want a victory. Thus you learned that cooperation with teammates was necessary for success. But in Athletics we found that winning wasn't everything, in losing you were determined to do better and still found the value of sportsmanship. Every practice session helped form the steps to the block of Athletics on which we will build our tomorrow.

So now since we have labored through the first twelve years of school, we hope that we have accomplished the structure of the blocks on which our tomorrow depends. I have tried to explain how at school through Education, Social Activities, and Athletics, Our Todays and Yesterdays are the Blocks on which We Build Our Tomorrows.

But our tomorrow will not be of much value unless the people can look upon us and say something good for us. As Emerson said, "It matters little where I was born, or if my parents were rich or poor; but whether I live an Honest Man and hold my integrity firm in my clutch, I tell you my brother, as plain as I can—It matters much."

Milo Danzeisen

Valedictory

Parents, Teachers, Friends, and Classmates,

We, the class of 1948, are about to complete the first twelve years of our education. As we grow older, we learn that we develop more rapidly and that life is at its best when we really practice the advice so well given in the old Chinese Proverb, "The Glory is not in never Failing but in rising every time you fail."

Our twelve years of school have been pleasant ones, working and playing together, but there was never a day we did not make mistakes. Ever since that day we bravely left our family to go to school for the first time, we have learned many things from our mistakes.

Mistakes do you only harm, if you do not recognize them and correct them so that you will not repeat the same ones. (Some of us made errors of which we were guilty during the first year in school and the last year we were still guilty of the same errors.) These errors were only obstacles in our school days because we did not stop to see what we were doing wrong about them and how to overcome them.

On the other hand, we did many things wrong which we realized and corrected immediately. We have learned much in the classroom, on the athletic field and at social events that aided in the correction of our mistakes.

As the philosopher, Smiles, said, "Probably he who never made a mistake, never made a discovery." The great people of our day are the ones that make the most out of the corrections of their mistakes. If Thomas Edison had tried to live an errorless life, we probably would not have the electric light bulb today. It was only because he spent hours doing things wrong, then correcting his wrong doings, that we have the electric light bulb. Harvey Firestone worked with rubber for years profiting by his mistakes all the time before he produced the tires we are using. The fathers of our country realized the shortcomings of the Articles of Confederation. As a result, in the Constitutional Convention, they so carefully considered the shortcomings in their existing government, that they produced that monumental document, the Constitution of the United States which has undergone nineteen minor changes in almost two hundred years.

Remarkable accomplishments are never realized in the first attempt. Good writers rewrite parts of their book many times before publication. The musician, who wins the appreciation of his audience, has spent many hours in practice as he sought to correct his mistakes. Acrobats practice days before they develop the acts they present to an audience.

As our class stands at the opening into the future, they should remember the words of Mr. Peabody:

"Here you stand at the parting of the ways; some roads you are to take; and as you stand here, consider and know how it is that you intend to live. Carry no bad habits, no corrupting associations, no enmities and strifes into this new life. Leave these behind, and let the Dead Past bury its Dead; leave them behind and thank God that you are able to leave them."

William Winslow

Salutatory

Parents, friends, and faculty:

Tonight it is my privilege to welcome you to the second annual class night of Bedford High School. I have chosen as my subject, "Put trust in character".

After you have associated with a student for four years of high school, a discerning person can tell rather well what kind of life that student will have. If a fellow gets by in school by working off his neighbor's paper, it is quite certain he will try to live off someone else's work the rest of his life. Some fellows say, "Well, I won't really do that after I graduate. It doesn't seem much now anyhow." They do not seem to realize that the high school years are the formative years. During school, teachers and parents have more influence upon a student's character than at any other period in life. This is the time when character is formed.

Years ago when there were few schools, many children were taught at home, where discipline was strict, and there were few other major influences. People were brought up to be God-fearing and respectable, but as the influence of the home and of the church waned, crime waves started. Now, children are allowed to spend these formative years at pastimes of their own choosing. People are naturally selfish and lazy, and so these basic instincts are allowed to come to the fore.

However, there are, fortunately, many people whose finer instincts are brought out by good training. These are the people who are our best leaders and statesmen. When you find a person, a man of sterling character, who is reliable, friendly, and seems to instill confidence in those about him, you can trust that person implicitly to bring about the best results of any situation for the good of all concerned.

In closing I would like to say that although we of the senior class enjoyed our high school years, we realize that our real work lies ahead, and we will do our best to make ourselves good citizens of the community, and shining examples to those who come after us.

Upon returning to school in September, our first thought in mind was to earn some money with which to carry on our various activities.

Our first project was the Junior Carnival. Incidentally, it was a huge success!

In January we had a barn dance and a paper drive.

During the latter part of February and the first of March our time was spent producing, "It's a Riot," a three act comedy. The comedians were aptly portrayed by Delora Smith and Paul Swy.

Almost all of our hard earned money was spent in May when we feted the Seniors at the annual Junior and Senior Banquet and Prom.

Hats off to an able advisor, Mr. Powers!

We the Sophomores, entered the Senior High School at Lambertville on September 2, 1947. We were pleased with the fact that Mr. Van Dyke was selected as our class advisor.

We were further welcomed by the upper classmen with an initiation party, held at the school. The entertainment was outstanding.

A successful drive was made by we, the Sophomores, in selling magazines.

We were deeply honored to have one of our class members chosen as the King of the Junior Carnival, namely Jack "Turkey" Lennard.

Our class rings were selected and were received in March.

Student Council

The Student Council has taken charge of the pep-meetings and entertainment. Each member took part by being master of ceremonies.

On December 19, 1947, the council sponsored a Christmas party in the afternoon and a Christmas formal in the evening. The Student Council would like to thank all of those who helped to make it such a successful organization, especially Mr. Van Dyke, who was our most helpful advisor.

Library

A word of thanks to the Librarians, who, with their patience and knowledge of the library have helped many a bewildered student. No one, except a librarian, knows how much time and work goes into the care of a library, nor of the great responsibility involved. So to you, the librarians, we again say thank you.

Paper Staff

FIRST ROW, (l. to r.): M. Hauser, asst. ed., J. Howe, D. Iott, S. Cooper, P. Berry D. Smith, M. Tiederman, B. Mathewson, B. Miller.

The 1947-48 "Hi Spots" staff has accomplished a great deal. Through the combined efforts and co-operation of our advisor, Miss Pfund, and the staff, the paper has undergone a complete change. This year for the first time the "Hi Spots" was published. The old mimeographed paper has become a thing of the past.

Our paper was published by the Lorraine Press. We like to feel that by starting the ball rolling on this paper that other advancements can and will be made.

Annual Staff

 TOP ROW: B. Stielow, M. A. Smith, J. Romada, W. Wagner, C. Conn, C. Gardner, M. Tiederman.

As you leaf through this annual we hope you will be very pleased with the results. We admit that we are. After all, after putting in so much time and effort, why shouldn't we be. However we'd like to leave one word of advice to the next years' Senior class "Buy glue by half-gallons, not by half-pints!"

Senior Play

His Ozark Cousin

The seniors were in their glory acting as hillbillies. Uncle Zeb the only original hillbilly was played by Bill Winslow who brought the house down "fittin' the yanks". Imagine Milo playing beautiful music on a mouth organ, while Donna Clever sang hillbilly songs. The hilight of the play was the hillbilly weddin' of Verna Rawson and Warren Wagner, with Uncle Zeb acting as Pastor.

The surprise of the play was Violet Klinck who tried to fool her family by posing as a "strange old lady" from the hills. Don Adams carried on a feud with Warren Wagner, but a settlement was reached by Don promising his sister in marriage to Warren.

A family from New York were the victims of the put on hillbilly act. When the play ended each person was happy except Uncle Zeb who was cheated out of a feud, a wedding, and moonshining.

Junior Play *It's A Riot*

A riot resulted when the families of two rival bread companies live in the same house for a few days. The fathers' of the families were continually fighting, played by Charles Cooper and Norman Hayward. The home is that of Ruby Rush who runs a rooming house and manages a garage. The two servants Nancy (Delora Smith) and Elmer Yorgensen (Paul Swy) are continually creating excitement. Nancy wants to be a movie star and play golf, and Elmer measured the cellar in the living room and brought horses into the house.

A radio broadcast takes place in the home of Miss Rush in honor of an English girl (Norma Connor) and Nell Henry (Jeanne Reitz) a shrewd Ranch owner. The broadcast is directed by Mr. Trimble (Bob Hetzel) who is so nervous he is always forgetting what he is to do. The climax of the story is the clever way in which Nell gets the two bread company owners to be partners in a third bread company.

Glee Club

The choral group pictured above represents what we earnestly hope is the nucleus for a fine glee club.

These faithful members are earnestly trying to develop a fine ear for singing two and three part numbers. At the same time they are building a musical background and foundation which can be used to progress to better grades of vocal music; and, therefore, a keener understanding and enjoyment of music throughout life.

Bedford Hi Band

The Bedford Band was formed under the leadership of Richard Jones. Later in the year, The Bedford Band Boosters Club was formed by the parents and interested members of the band. The officers for this club were elected as follows:

President.....	Mr. Herbert Doerfler
Vice President.....	Mr. Edward Kubic
Secretary.....	Mr. Harold Smith
Treasurer.....	Mrs. Eeton Elliott
Corresponding Secretary....	Mrs. Beryl Albring

Capes and caps were provided for the band members until uniforms could be obtained.

Many different programs and activities for raising money for uniforms were accomplished throughout the year.

The band played for assemblies, basketball games, and various other programs.

Debate Club

This year, we have organized a Bedford Debating Club, under the capable direction of Miss Pfund. On our first meeting, we had elected officers, and they were as follows:

President.....	Warren Wagner
Vice President.....	Dolores Zajac
Secretary and Treasurer..	Theresa Darmofal
Librarian.....	Carol Conn

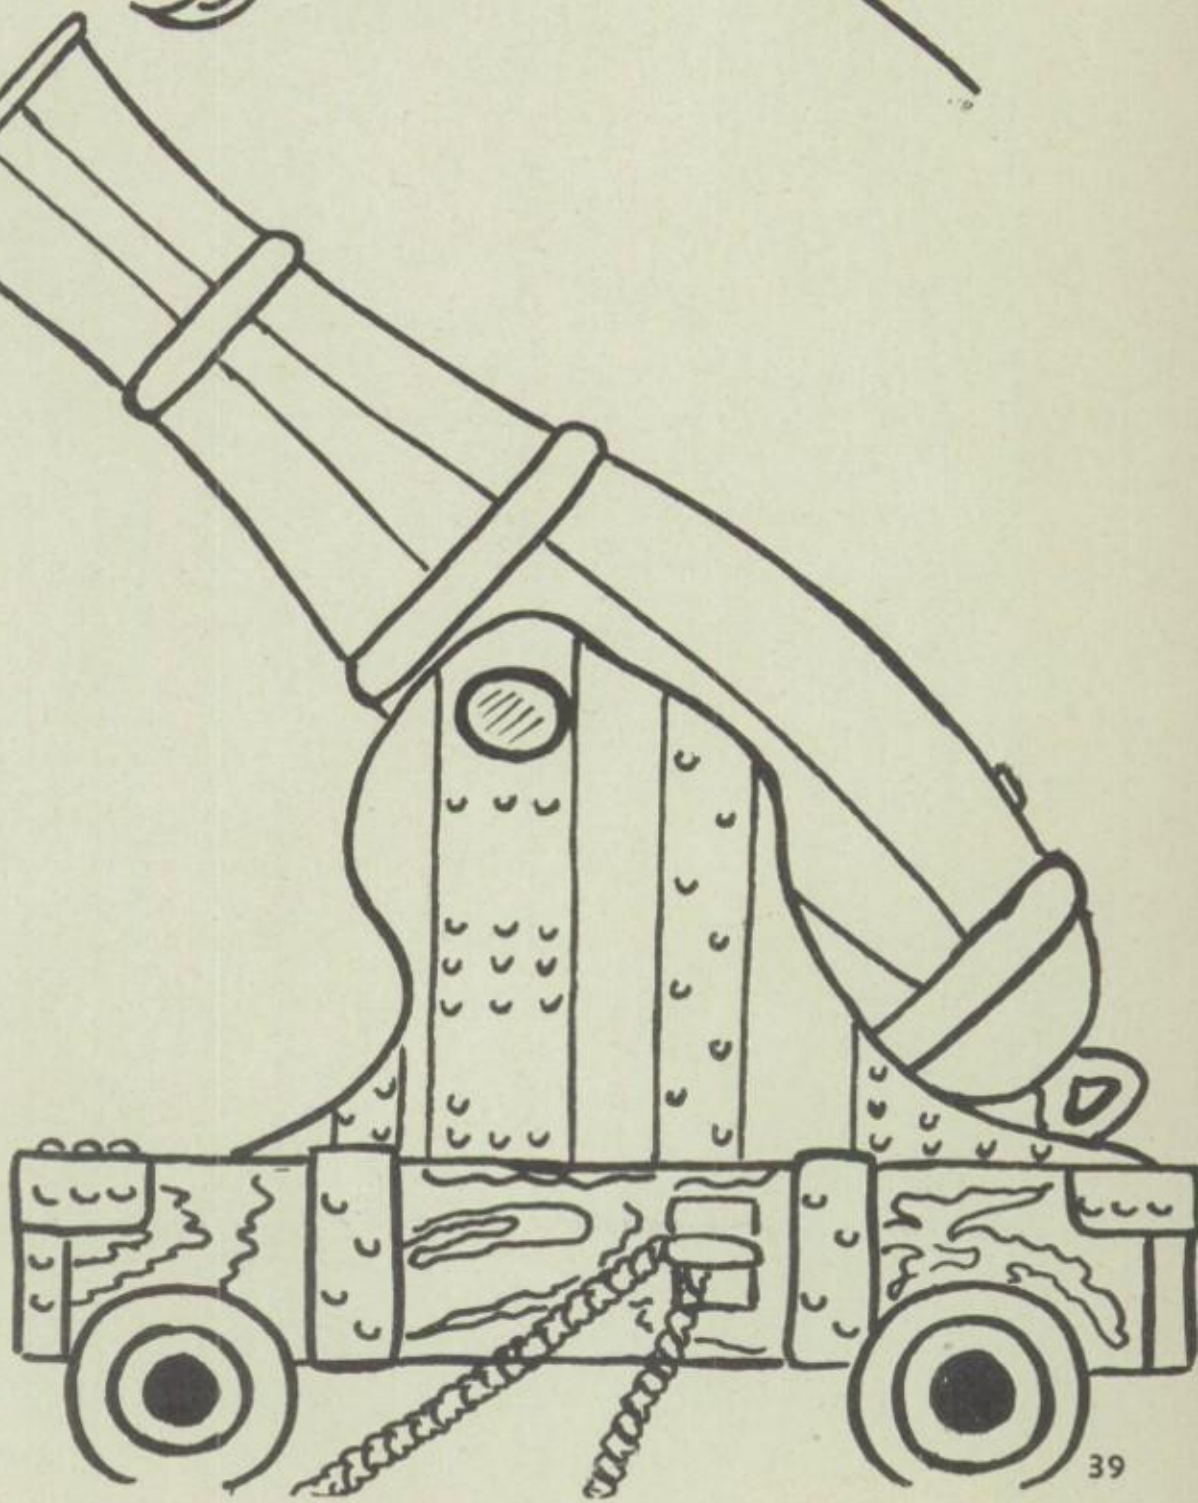

The topic we had debated on was Resolved, that "The Federal Government Should Require Arbitration of Labor Disputes In All Basic American Industries." We had an affirmative and a negative team, in which we debated among the following schools: Otter Lake, Waterford, Tecumseh, and Britain. We also debated in the presence of the Rotary Club at Temperance. Later in the year we had "Round Table" discussions, which were a great success. We had accomplished experience in public speaking. We had a very happy year together, and our advisor hopes to continue the good work of this club in the future years to come.

Cheer Leaders

We're from Bedford,
No one could be prouder,
If you cannot hear us,
We'll yell a little louder!

Girls' Athletic Association

The Girls Athletic Association was again reorganized in September, 1947, under the capable direction of Miss Pfund. In order to work together, the girls elected officers from both Gym Classes. They were as follows: Presidents, Betty Oswald and Mickie McMillan; Vice Presidents, Helen Nichols and Marilyn Hauser; Secretaries, Theresa Darmofal and Mary Sheppard; Treasurers, Donna Kluender and Mary Kessler. Representatives, Elinore Tolly, Verna Rawson, Dorothy Ostachnowicz, Norma Conner, Barbara Gensler, and Donna Labun.

Our Representatives formed our Constitution. We planned for an Alumni Fun Night, and organized sports events. Our basketball games, played in the evenings with other schools were of good sportsmanship. With the exception of a few minor floor burns, and aching bones, the girls were in perfect condition the next few days after the game. We had a volleyball tournament and challenged the boys in one of our games. It was very exciting even if the boys did win! We ended the seasons by sponsoring the Annual Football and Basketball Banquets.

Physical fitness was stressed in all activities as the members of the G. A. A. presented a full and active program during the school year.

 THIRD ROW: R. Valentine, R. Hetzel, U. Fielding, J. Porter, F. Hannigan, R. Dix, R. Boehme, E. Holey, R. Scherer, C. Dixon, R. Shaefer, J. Salisbury, R. Baugh, G. Wagenhauser, W. Kunckle, N. Hayward.

The most inactive organization is the Varsity Club of Bedford High School. It meets once a year to make plans for initiating new members who have won varsity letters and so far this term we haven't taken the trouble to elect officers. However the organization seems to carry on because of past traditions.

Though it is physically inactive; it serves as a spiritual inspiration to the younger members of the various athletic squads.

BEDFORD AT DUNDEE

Bedford lost its opening game to Dundee, 18-0. Bedford lost a lot of ground to Dundee on penalties. Captain Hannigan and Lennard played a great game for Bedford.

GROSSE ILLE AT BEDFORD

Bedford revenged last year's defeat by Grosse Ile by running to a 30-0 victory. Bedford simply outplayed Grosse Ile all the way. An outstanding play was Jake Myers' 60 yard touchdown run.

ADRIAN RES. AT BEDFORD

Bedford took an overwhelming victory from Adrian, with a final score of 32-6. It was distinctly a team victory.

BLISSFIELD AT BEDFORD

Blissfield rolled a 6-0 victory over Bedford in the second half. Bedford was without the services of Captain Hannigan because of injury.

MONROE RES. AT BEDFORD

The Bedford Kicking Mules trampled Monroe, 39-0. Dix and Hannigan played a great game, both defensively and offensively. The offense was a masterpiece of strategy.

CARLETON AT BEDFORD

Bedford played a good defensive game but had a tough time stopping Carleton's passes and also Carle. Bedford's chances for the championship were lost as a result of losing this game to Carleton, 7-0. Wagner's punting kept Bedford in the game.

IDA AT BEDFORD

Dix, Hannigan, and Wagner scored touchdowns to give Bedford a 19-0 victory over Ida. **This is the game where Goose tackled Oberski.** Holey and Boehme, played a fine defensive game for Bedford. Bedford had great help from the line, with Swy and Farrell, playing a rough game. Wagner's fine catches aided Bedford's victory.

SUMMERFIELD AT BEDFORD

Bedford had a tough time getting started but finally edged out Summerfield, 7-6. Bedford had another scoring opportunity in the last quarter on the 1 yd. line, but didn't succeed. Boehme was quoted as saying, "It was a rough game, coach!"

Basketball

BEDFORD VS. DUNDEE

Bedford checked Dundee's offense for the first half by their tight zone defense. Bedford trailed only 13 to 8 at half but in the second half the taller Vikings roared away and to a 48 to 20 triumph over Bedford.

The Bedford Reserves won the preliminary game with a 32 to 27 score. Cooper played a good game for the Bedford Reserves.

BEDFORD VS. BRITTON

Bedford's rally fell short as they dropped a 24 to 23 decision to Britton. Bedford had a two point lead at half but soon relinquished it. Lennard and Holy were the Bedford leaders.

The Bedford Reserves won the preliminary 36 to 10 with Klump and Scherer playing the best game for Bedford.

BEDFORD VS. IDA

Bedford opened its Raisin Valley league campaign by rallying to an easy 38 to 20 victory over Ida Rural Ag. The losers trailed 22 to 4 at the half and 33 to 6 at the opening of the final period. Holy led the scoring with 13 points but everybody took part in the scoring. Swy played a very good game for Bedford by rebounding with excellence.

The Bedford Reserves ran away with the opener also, winning 42 to 24 after leading 17 to 5 at the end of the first period. Klump had 15 points and Scherer 12 points to lead the scoring.

BEDFORD AT A. E. SMITH

Bedford lost this non-league game by the score 24 to 18. Bedford had a chance to at least tie up the game in the last period when the score was 19 to 18 but they missed their foul shots. Lennard played about the best game for Bedford.

The Bedford Reserves won again with Red Doerfler playing the best game for Bedford.

BEDFORD VS. SUMMERFIELD

Bedford came back from Christmas vacation, with only two days' practice and lost to Summerfield. The final score was 35 to 28. Summerfield had an 8 point lead at half but in the second half Bedford scored one point more than Summerfield. Boehme played a very good game for Bedford.

BEDFORD VS. MONCLOVA

Monclova proved too strong of a basketball quintet, thereby, beating the Mules by the score of 48 to 23.

The Bedford Reserves remained unbeaten by taking Monclova Reserves 23 to 20 in a close game.

BEDFORD AT CARLETON

A big third quarter enabled Carleton to defeat Bedford as Bedford only scored two points to Carleton's eleven in the third quarter. The final score was Carleton 47, Bedford 34. Bedford made a very good showing although they lost.

The Bedford Reserves lost their first game as Carleton beat them 30 to 9.

BEDFORD VS. SOUTH ROCKWOOD

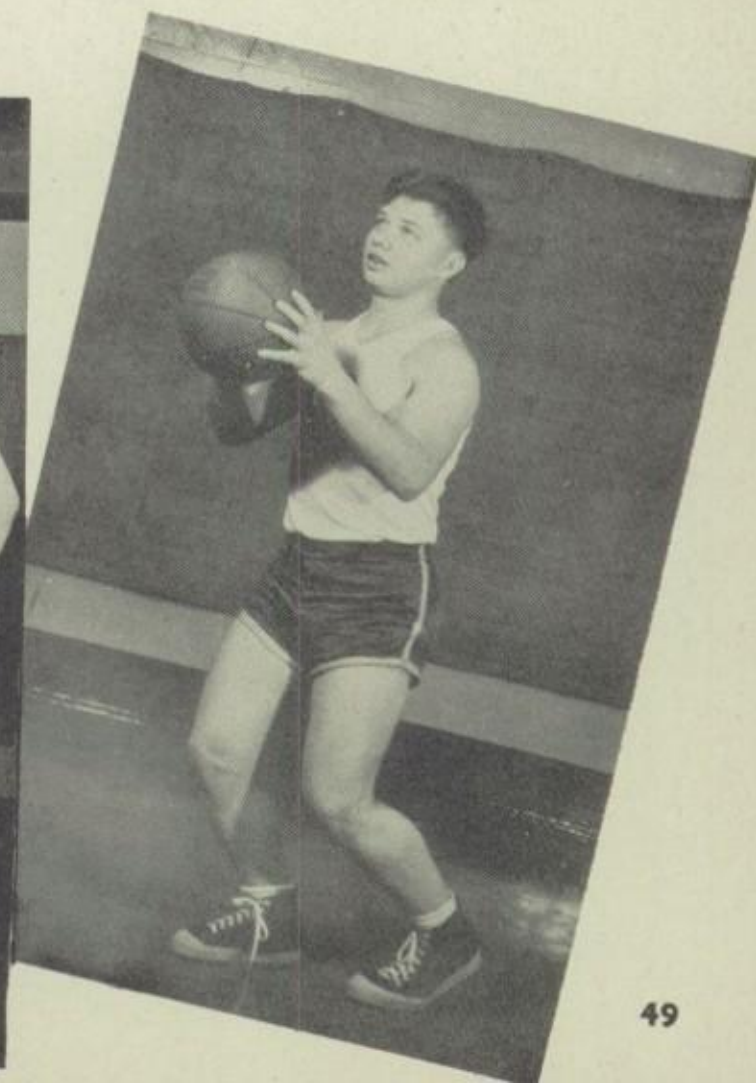

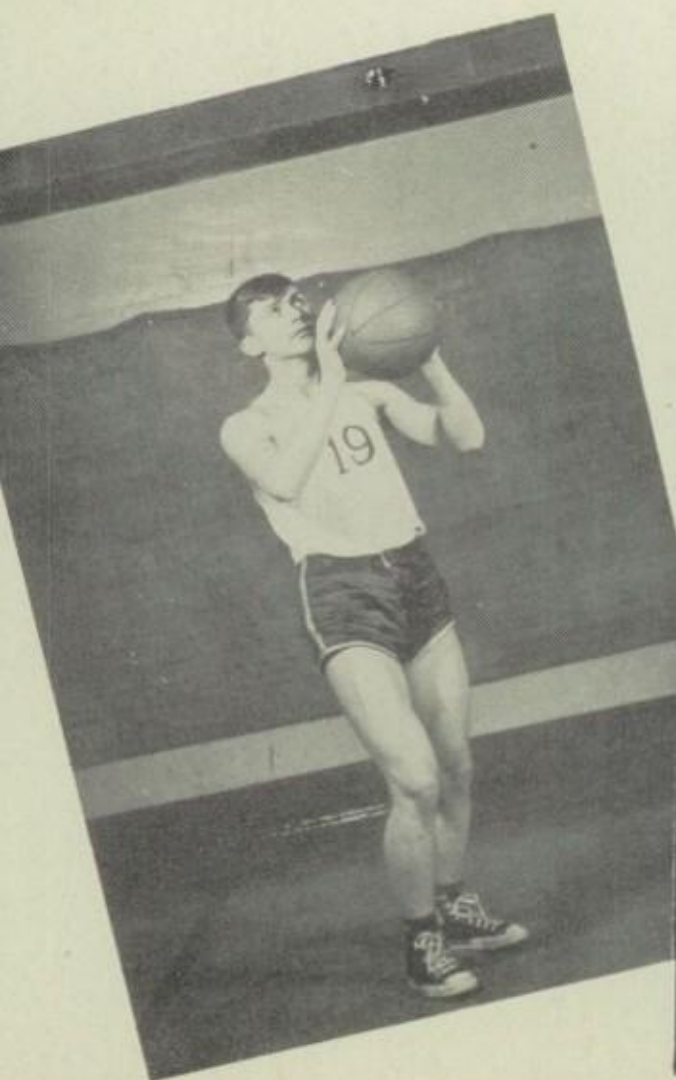

Bedford outplayed South Rockwood most of the game, scoring most of their points during the third quarter. The final score was Bedford 48, South Rockwood 27. Lennard played a fine game for Bedford. Coach Bill Early's boys played some of the ball of which they were capable.

The Bedford Reserves, after faltering about, finally won the game.

BEDFORD AT IDA

Bedford started with an early lead and held it, with a final of 30 to 21. Klump led Bedford with 13 points, but it was distinctly a team victory. Bedford played their best ball in the second quarter. Ida had a rally in the last part of the game, but it was not enough to overcome Bedford's lead.

The Reserves, after winning their first game from Ida, lost.

BEDFORD AT OTTAWA HILLS

Bedford was thoroughly trounced by Ottawa Hills, 78 to 27. Ottawa Hills had entirely too much class for Bedford, but Bedford threw the ball away many times. Goose played a good game for Bedford.

Ottawa Hills Reserves also proved too strong for Bedford Reserves as they lost 52 to 25.

BEDFORD AT WHITEHOUSE

Bedford's quintet was outmanned at Whitehouse, Ohio, losing 60 to 33, but playing good basketball against a much stronger squad. Klump led Bedford with 11 points.

The Whitehouse Reserves took a 36 to 20 victory. This is the game where Jack Lennard had the misfortune of breaking his foot.

BEDFORD VS. CARLETON

Bedford only scored three points in the first half, as their shots just didn't go through the hoop. As the result Bedford lost 49 to 29. They played them about even in the second half, but it was too late. Lennard and Porter played a good defensive game for Bedford. Bedford quintet on the whole played a good game.

The Bedford Reserves again lost to Carleton.

BEDFORD VS. BLISSFIELD

Blissfield won 36 to 27, but it was far from an easy victory as Coach Early's boys turned in one of their best games. Bedford trailed 17 to 13 at the half, but pulled up to 19 to 17 in the third quarter.

A free throw in the last minute cost the Bedford Reserves the game, Blissfield winning 20 to 19.

BEDFORD AT SUMMERFIELD

Bedford led all the way, and finally beat Summerfield, by the score of 35 to 34. It was a very exciting game mostly in the second half, as Summerfield started rolling. The score at half was 12 to 6. Lennard's work off the defensive back board helped Bedford considerably. Danzeisen led with 17 points. The Bedford Reserves won the preliminary by the score of 30 to 12, with Bob Sherer leading with 15 points.

Sporting Highlights

The class of 1948 has more than contributed its share to the athletic achievements of Bedford. On the gridiron the fine leadership and ability of Fred Hannigan stood out for the Scarlet and Grey. Aiding and abetting the cause for the kicking Mules was the all around play of Bryce Lennard at quarter, and Richard Dix with Milo Danzeisen at the halves. Also the outstanding line play of Warren Wagner and Jim Yeager both all league selections, with the rugged play of Jim Farrell, Russ Shaffer, Bill Winslow, and Jim Salisbury contributing to a successful season.

On the hardwood the fine offensive play of Co-Capt, Milo Danzeisen excelled while Co-Capt. Bryce Lennard's board and defensive ability was a constant thorn in the side of the opposition. Jim Farrell and Warren Wagner rounded out a quartet of Seniors who consistently aided the cause of our Kicking Mules.

Once again, Bedford's track prospects for another R. V. A. A. championship are bright with fine repeat performances expected from Don Adams in the half mile; Bryce

Lennard and Don Kaiser as pole vaulters; Fred Hannigan, Warren Wagner, and Richard Dix in the dashes, hurdles, and relays; the broad jumping of Jim Salisbury and the shotput efforts of Jim Yeager as the outstanding returning lettermen of the class of 1948.

Baseball at Bedford has fine promises for a successful season with the mound efforts of Danzeisen and F. Hannigan, the hitting of Yeager, Farrell and Lennard, and the defensive play of Bill Sheppard and Warren Wagner forming the nucleus for the diamond efforts of the Scarlet-clad men of Bedford.

The class of 1948 has produced a group of fine sportsmen and athletes with the contributions of Bryce Lennard and Warren Wagner in four sports, and the ability of Danzeisen, Hannigan, Yeager, and Farrell asserting itself in three fields, and the competitive spirit of Dick Dix, Jim Salisbury, Bill Winslow, Russ Shaffer, Art Tolly, Bill Sheppard and Don Adams in two fields of activity as the shining lights of the Bedford Sports Caravan for 1948.

Varsity

Baseball

Last year's baseball team
 had a moderately, successful season.

We won four games and lost four, and ended
 the year in third place. Our first game was with Peters-
 burg, and we won 9-1 with Milo Danzeisen the winning pitcher.

We lost the second and third games to Carleton and Ida respectively, by
 scores of 19-0 and 19-2. We won the next two games, beating South Rock-
 wood there and Ida here, with scores of 20-13 and 7-5. Next we lost to
 Petersburg, 10-3, and to Carleton 7-0. In our last game we beat South Rock-
 wood here by a score of 6-5, in 8 innings.

Our co-captains were George Brassell and Richard Chapplelear, and
 Brassell and Milo Danzeisen were voted onto the RVAA all star team. The
 three leading hitters were, in that order, Brassell, Jim Yeager, and Jim
 Farrell.

This year's team shows promise of a great team. Last year we had only
 two seniors so this year we will have at least ten players who will graduate.
 In six positions the regulars will return from last year. Two of the three
 leading hitters will return and all our regular pitchers. Carleton, again, will
 be the team to beat, but if the team lives up to its promise and the students
 back up, we will make a name for Bedford in baseball this year.

Believe It Or Not-

1. Our children come from an area of approximately forty square miles.
2. Ten districts consolidated to form the present district.
3. The population of this area is approximately 7,000.
4. The school census last year from five to twenty was 1694, below five was 690.
5. The enrollment in our school is over 1300.
6. The school board purchased 260 acres of land on Douglas road between Dean and West Temperance roads as our new school site.
7. The firm of Jensen and Keough has been engaged to draw the plans for a new building.
8. We have fifteen buses.
9. There are fifty-six employees in the present system.
10. The assessed valuation of the school district is approximately \$4,000,000.
11. \$160,000 is the cost of operating the school for one year.
12. The enrollment by schools and grades is as follows:
